THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Epping in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Epping on Tuesday, the tenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see what sum of money the town will vote to raise and appropriate for roads and bridges.

4. To see what sum of money the town will vote to raise and appropriate for Memorial Day Expenses.

5. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

6. To see if the town will vote to authorize the Selectmen to sell any property taken by tax title or otherwise, providing such property is advertised fifteen days in advance of sale and such notice is posted in three public places.

7. To see if the town will vote to raise and appropriate the sum of $300 to continue the development of the Town Hall Parking Lot.

8. To see if the town will vote to raise and appropriate the sum of $846.94 and the State to contribute $5,646.29 towards Class V Road Construction in our Town.

9. To see if the Town will vote to raise and appropriate the sum of $1000 to be spent on Moore Street Hill. The work to consist of a new surface and tarring.

10. To see if the town will vote to raise and appro-

priate the sum of $50 for membership in the Regional Development Association.

11. To see if the Town will vote to raise and appropriate the sum of $350 to complete the construction of the Epping Little League field. Any money not expended will be used for the maintenance of the field. The same to be under the supervision of the officials of the Little League and the Selectmen.

12. To see if the town will vote to close the following roads subject to Gates and Bars as provided by law in order to reduce liability for road expense and liability now or in the future.

(1) French Road from the Blake Road to the house now or formerly John Dodge. (2) New Lane from the Prescott Road to the home of Bessie Menter or Rundlett Hill. (3) The extension of Grassy Lane from the Nottingham Road to High Road. (4) Rundlett Road from the East end of New Lane to the Nottingham Square Road. (5) The short cut behind the house of John Warren from the North River road to the Hedding road. (6) Diamond Hill Road from the North River Road to the Hedding Road. (7) The old short cut from the Mast Road to the rear of Hedding Camp Ground.

Given under our hands and seal, this 23rd day of February, in the year of our Lord nineteen hundred and fifty-nine.

PHILIP A. MARCOTTE,
EDMOND G. BLAIR,
GEORGE E. MOQUIN,
Selectmen of Epping, N. H.

A true copy of Warrant—Attest:

PHILIP A. MARCOTTE,
EDMOND G. BLAIR,
GEORGE E. MOQUIN,
Selectmen of Epping, N. H.

Tax Collector's Note: Regarding unredeemed property taxes and unpaid Head and Poll taxes —

All taxes which are listed in the Previous Year's Column are in the process of being deeded to the town unless redeemed before March 1, 1959.

Being submitted to the State Motor Vehicle Department are names of all persons who have signed affidavits at the Town Clerk's Office, under penalty of perjury, stating that they have paid all Head and Poll taxes for which they are liable. (The law states husbands are liable for their wives' taxes, as well as their own, in order to acquire registrations or licenses.)

LIONEL S. FECTEAU
Tax Collector
Epping, New Hampshire

VETERANS' EXEMPTION

"No person shall be entitled to the exemption provided by Section 29 unless he shall have filed with the selectmen on or before April fifteenth of each year an application therefor signed under penalty of perjury on a form which may be obtained from the selectmen."

Printed above is a portion of the law governing property tax exemption to servicemen or widows of servicemen which must be followed if exemption is to be allowed in 1959. The Exemption Law has also been revised so that only Residential Real Estate as defined below can be exempted from Taxation.

"Residential Real Estate; That Real Estate that a person occupies as his principal place of abode together with any land or buildings appurtenant thereto. Provided further that the resident qualified for exemption, excepting those with service connected disability shall not be delinquent in the payment of any taxes due the State of N. H. or any political subdivision thereof."

TOWN AUDITORS' REPORT

February 28, 1959

We have audited the accounts of the Town of Epping for the year ending December 31, 1958.

Examination of the accounts of the Selectmen, Town Treasurer, Tax Collector, Town Clerk and Collector of the Epping Water Department finds them to be correctly cast with proper vouchers.

CLAUDE A. GOODRICH,
GORDON F. RAYMOND,
Auditors — 1958
Town of Epping, N. H.

REPORT OF CHIEF OF POLICE

I hereby submit this report as your Chief of Police.

We have had a very busy year and I don't have to tell you crime is on the increase all over the country.

I have enjoyed the fine cooperation of local people in regards to reporting strange actions of cars or people especially in the night time. Always take registration numbers down and call me as soon as possible.

Advise your young children not to ride with strangers, this kind of thing is also on the increase. I have listed below the number of times I have been called out and why. This does not include arrest or nuisance calls.

262 phone calls to accidents, fights, etc.
14 breaks or stolen reports
46 accidents covered
6 lost person
4 stolen cars
4 hit and run
2 fatal accidents
2 false fire alarm
27 hot rod

I regret to say that numerous teenagers ride around until the wee hours of the morning. Needless to say these young people are borrowing trouble.

Respectfully submitted,

EDWARD T. LAVOIE,
Chief of Police
Epping, N. H.

EPPING LIBRARY REPORT

Again, it is with pleasure, that I present the following report.

There were 201 books purchased for the library in 1958, plus a new set of encyclopedia, The World Book. Thirty-five books were presented as gifts to the Epping Public Library by friends. There were sixty-four new borrowers registered and a circulation of 4,742 books. The State Bookmobile called at regular periods and there has been an average of 125 books borrowed at each visit. Extra services through the State Library in Concord were available to the borrowers.

I was indeed fortunate in receiving a $75.00 scholarship from the State Library to attend a 3-weeks summer course at the University of New Hampshire. This is a four year course in Elementary Library Techniques and it is my intention to complete the course.

I have attended meetings of the N.H.L.A. in Laconia and Hampton and have attended district meetings in Derry and Pelham.

During National Library Week, I was asked to speak about the library and its services to the Epping P.T.A. In May, the first three grades of the West Epping Grammar School came to the library to become acquainted with the library, its books, and its librarian.

It is my desire that within the year, we will be able to have the library painted, and new lighting fixtures installed, thus making it a cleaner, brighter and more pleasant library for you.

I do thank the town for its splendid cooperation with the library trustees and librarian. Through my attending the various district meetings of librarians and trustees, I have come to realize how very generous our town of Epping has been about appropriating money for the library's expenses. I want you to know that Ep-

ping rates very well on the money allotted for the purchase of books.

I have been very happy to be of service to you all, particularly to the students. I haven't always been able to supply your requests and I do thank you all for your patience and understanding.

Respectfully submitted,

MRS. IRENE M. HUTCHINSON,
Librarian

YOU CAN HELP PREVENT FOREST FIRES

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning — brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as ($200) two-hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc. cut on your property. Eliminate the hazard of burning yourself. It will be easier for you — personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty. Use your town dump.

Number of local fires — 0
Number of acres burned — 0
Number of permits issued — 64

MERTON A. WEBBER,
District Fire Chief
LAURENCE W. CARAWAY,
Forest Fire Warden

THE STATE OF NEW HAMPSHIRE

School Warrant

To the Inhabitants of the School district in the town of Epping, N. H., qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 14th day of March 1959, at ten o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Budget Committee

9. To see if the District will vote to hereafter use a check list for the election of officers, beginning with the 1960 Annual Meeting, and will adopt as it's school check list the town check list, as provided in R.S.A. 197: 12A as inserted by Laws of 1957, Chapter 57.

10. To see if the District will vote to continue a planning committee, consisting of the School Board and seven other members. To investigate future school housing needs and enrollments, and to report back to the next school district meeting.

11. To transact any other business which may legally come before this meeting.

Given under our hands at said Epping this 26th day of February, 1959.

ELTON G. ALLEN,
BEATRICE G. MARCOTTE,
FRED WELLHOFER,
School Board

A true copy of Warrant—Attest:

ELTON G. ALLEN,
BEATRICE G. MARCOTTE,
FRED WELLHOFER,
School Board

SCHOOL PLANNING COMMITTEE REPORT

The members of this board have diligently tried to formulate a clear picture of the school housing needs and to present at least two plans to the voters in order that a solution may be reached. Many meetings have been held, we have consulted with neighboring towns and have attended meetings in Concord, Manchester and Exeter to learn as much as possible about the state-wide education situation and how it may apply to our town.

Of this we are certain: there MUST be additional space provided for our youngsters. The High School, within two years, will be unable to accommodate the influx. Conditions are already crowded. Unless we build a new High School, we must send these students out of town or initiate double sessions at considerable expense and inconvenience. Limited as we are financially, this poses a real problem and one that must be met without haste but with a true sense of urgency which should be felt by every parent and taxpayer.

Members of the board have met recently with state officials who have clarified the state's position with regard to aid and their requirements for same. The ultimate decision rests, of course, with the townspeople whose moral responsibility it is to provide the best education possible within their means.

At this writing, Mr. Frank Lavoie is compiling an analysis in detail, which will be distributed at the school meeting. This plan considers the building of a high school with figures which will, we hope, provide material for a lively discussion among interested — and concerned — Eppingites.

REPORT OF SCHOOL DISTRICT TREASURER
for the
Fiscal Year July 1, 1957 to June 30, 1958

Summary

Cash on Hand July 1, 1957 (Treasurer's bank balance)		$58.93

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Many parents have asked how homework fits into the educational picture of Epping. Although there are many people who denounce all home assignments and will continue to denounce them, home study has had and continues to have a traditional place in our American educational system. Though it may change from time to time and from generation to generation, it seems likely that some form of home study will be maintained. Most school systems throughout the country continue to give home assignments in one form or another.

When homework is assigned, it is important for the teacher to check upon this work, to see that it is actually accomplished, and to note that something is achieved thereby. Regardless of whether it be a home study assignment or a classroom assignment, the assignment made by the teacher must be called for by him. Little or no desirable learning is achieved when teachers make assignments and then rarely hold students responsible for them.

The amount of time that a child is expected to spend in home study varies greatly in different localities. In Epping, I believe that a maximum should not exceed two hours in the upper grades, and one hour in the intermediate grades. None should be given in the primary grades.

When homework involves writing or study, it is highly important that the child have a definite place to do it. He certainly will not get much accomplished if home assignment must be made in the family living room with other people either televiewing, listening to the radio, or carrying on different types of conversation.

Once the child realized that homework is his own responsibility, it will be wiser for the parents to allow

him to arrange the time he wishes to provide for it, and then observe whether he holds to the time agreed upon. If the child learns to budget his time, he will see to it that the home study is not neglected.

When work is assigned to be written it is of the utmost importance that the child do the work himself, rather than copy it after someone else has worked it out for him. When the latter occurs, little, if any, real learning takes place. The child only learns to get others to do his work. If the child has difficulty with a certain problem or other point in the assignment, a parent might help him over a difficulty by explaining the matter to him. This is entirely different from copying out answers worked by someone else, without understanding how they were achieved.

Homework can greatly aid in the development of the child's character and personality as well as his academic achievement. Properly assigned and properly fulfilled, home study can build habits of self-reliance and responsibility and, when group assignments are made, of co-operation and working with others. Again, when the nature of the assignment is such as to permit it, a considerable amount of learning in related areas can be achieved.

Our school lunch program under the direction of Mrs. Page is one of which we can be proud. Mrs. Page is providing well-balanced meals for your children. This is evidenced by the large number of children who partake of these meals.

In closing, I thank the children, Principal and teachers for their efforts in making the educational program successful. I also thank the Citizens and School Board for their part in making my task a pleasant one.

Respectfully submitted,

GEORGE P. SULLIVAN,
Superintendent of Schools

SCHOOL NURSE'S REPORT

To the Superintendent, School Board members, and Citizens:

The school health program of 1958-59 began with three spring preschool clinics at the Community Church. These were held in conjunction with the State Dept. of Health. Parents of preschool children were given the opportunity of bringing them for physicals, various shots, and vaccination for smallpox. Attendance was good.

Eye and ear testing are nearly completed. These programs have been greatly facilitated by the up-to-date pieces of apparatus which were recently purchased by the school Union.

Opportunities for informal health teaching were taken advantage of, and home visits were made by the school nurse concerning physical defects.

Mrs. Gladys Page is to be commended for her continued fine efforts at providing well balanced lunches according to state standards. The cost of these lunches had to go up this year because the only meat the Federal government has been able to supply has been turkey. Previously, ham, hamburg, and cold luncheon meats were provided in generous quantities.

The Epping Woman's Club again made it possible for children at Central School to attend dental clinics. Thanks are due to them and to the children who worked so hard selling tickets for the project. This program is so valuable that it deserves the support of all who can contribute to it.

The West Epping Community Club is also to be commended for its continuation of its dental clinics.

All of us concerned with the health and well-being of our school children are grateful to Mr. Freeman and

Mr. Morrison for their fine care of the buildings. Clean surroundings are an important part of the total health picture.

Parents and teachers as usual have been most co-operative, helping to make Epping a pleasant place in which to be school nurse-teacher.

Respectfully submitted,

CONSTANCE J. HUSS, R.N.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

Summary of Findings and Recommendations

October 7, 1958

The School Board
Epping School District
Epping, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Epping School District which was made by this Division, acting under authority of Chapter 71, Section 27, of the Revised Statutes Annotated, which provides in part as follows:

> "Audit on Motion of Commission. The (Tax) Commission may cause an audit to be made of the accounts of any city, town, school district, village district or precinct, as often as once in two years, or whenever conditions appear to it to warrant such audit."

This audit covered the fiscal year ended June 30, 1958. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

Financial Statements

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1957 and June 30, 1958, are presented in Exhibit A. As indicated therein, the Net Debt decreased by $982.82 during the fiscal year ended June 30, 1958.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1958, are presented in Exhibits C and D. As Indicated by the Budget Summary (Exhibit D), a revenue deficit of $3,113.46, less a net unexpended balance of appropriations of $216.43, resulted in a net budget deficit of $2,897.03.

Summary of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1958, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1958, is indicated in Exhibit F.

Statement of Long Term Indebtedness: (Exhibit G)

A statement of outstanding long term indebtedness as of June 30, 1958, showing annual debt service requirements, is contained in Exhibit G.

General Comments

Current Deficit:

The current financial condition of the School District changed from a current surplus (excess of total assets over current liabilities) of $58.93, to a current deficit (excess of current liabilities over total assets) of $2,-958.25 during the fiscal year ended June 30, 1958, as shown by the following statement:

	June 30, 1957	June 30, 1958
Total Assets	$58.93	$ —0—
Current Liabilities	—0—	2,958.25
Current Surplus or (Deficit)	$58.93	($2,958.25)

Deficiency Appropriation:

It is noted that, upon advice of the State Department of Education, a special meeting of the School District was held on June 14, 1958, at which time an appropriation of $9,500.00 was voted for the purpose of increasing the 1957-58 budget to a point where no State aid would be lost. This additional appropriation was entirely expended as of June 30, 1958, on which date the Treasurer's balance had been reduced to zero. Accounts owed by the District on June 30th, consisting largely of taxes and social security withholdings, amounted to $2,958.25, resulting in a current deficit of like amount as heretofore stated.

Increase in School District Tax:

The School District tax for 1958, which includes the special deficiency appropriation of $9,500.00, amounts to $71,321.83, as compared to the 1957 tax of $42,145.84, reflecting an increase in this year's tax of 69.2%.

Bond Maturities:

It is noted that in each of the years 1956, 1957 and 1958, the School District appropriated $5,000.00 for payment of the principal of debt. This amount included $3,000.00 for the payment of bonds, whereas maturing bonds amounted to only $2,000.00 in each of these years, resulting in an annual excess appropriation of $1,000.00 over actual requirements.

A schedule of debt service requirements has been prepared and is contained in Exhibit G of this report. Budgetary provision for the payment of maturing debt and interest should be based on the requirements as indicated in this schedule.

Payroll Procedure:

It is suggested that in the case of payrolls for teachers and janitors, the net amount of the payroll be entered in the "Amount Paid" column. The gross amount (total wages earned) should be carried out in the proper classification column and separate columns maintained for the various items which are withheld, entries in the withholding columns thus becoming minus balances. When the periodic settlement checks are written to the State, Federal Government and Blue Cross, such checks would be entered in the total "Amount Paid" column and the employees' share would be entered in the withholding columns, thus balancing these columns at each settlement date. The School District's share of Social Security and Retirement checks should be charged to the appropriation account for Social Security and Retirement.

The following illustrates the method of payroll procedure as outlined above:

	Amount Paid	Teachers' Salaries	Taxes Withheld	Social Security & Retirement	Blue Cross Withheld
June 15, 1958 — Payroll	$881.50	$1,000.00	($80.00)	($22.50)	($16.00)
June 30, 1958 — Payroll	881.50	1,000.00	(80.00)	(22.50)	(16.00)
June 30, 1958 — Blue Cross	32.00				32.00
June 30, 1958 — State of New Hampshire	72.00			72.00	
June 30, 1958 — Federal Government	160.00		160.00		
Total	$2,027.00	$2,000.00	$0.00	$27.00	$0.00

The advantages of this recommended payroll procedure are:

(1) Up to date record of withholdings at all times.

(2) Total amount earned (which is the actual amount charged to the appropriation) shown in salaries' column.

(3) When settlement checks for withholdings are issued to the State, Federal Government and

Blue Cross no classification is necessary as the proper accounts were charged at the time when payrolls were made out.

Manifest Forms:

When the manifest forms are used, it is not necessary to enter each check separately in the school fund record book. The total amount of the manifest should be entered therein, together with the beginning and ending serial numbers of checks issued in payment thereof, and the proper amounts extended in the classification columns. Each check is entered separately in the Treasurer's cash book which makes it unnecessary to duplicate this procedure when the manifest system is used.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Epping School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER,
Director
Division of Municipal Acc'ting
State Tax Commission

Norval D. Lessels, Auditor
O. Maurice Oleson, Accountant

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

October 7, 1958

Certificate of Audit

This is to certify that we have examined and audited the accounts of the Epping School District for the fiscal year ended June 30, 1958. In our opinion, the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1958, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER
Director
Division of Municipal Acc'ting
State Tax Commission

Norval D. Lessels, Auditor
O. Maurice Oleson, Accountant
